Call for speakers, talk or workshop presenters

Would you like to be involved in the ACT Permaculture Festival, organise a workshop, make a presentation and give your contribution? We need you to make the festival a great event! Submissions are now open.

The festival is looking for people to share ideas, passions, experience, stories, creativity and commitment to a better world through permaculture. You may be experienced or just starting out.

Presentations, panels, workshops, activities, performance, posters, video and any other forms of expression on all aspects of permaculture are welcome.

Submit an outline your ideas to actpermafest2018@gmail.com. We will review all submissions and choose those that will complement each other and provide balance, depth and spread to discussion on the theme of connectivity based on the venues.

Connectivity themes:

1. Land and Nature Stewardship
2. Gardening and Permaculture
3. Energy
4. Tools and Technology
5. Local food
6. Health and Wellbeing
7. Using waste
8. Arts and crafts

Important dates and guidelines for submissions

Please outline your presentation in 150 – 200 words, including:

- presenter's name(s)
- working title
- if a panel, include the names of panel members
- the domain(s) and cross cutting themes your content will mainly focus on

- type of presentation (discussion, participatory group work, hands-on, lecture, experiential, mixed, other)
- any technology or other resources required (eg data projector, music, access to outside areas etc)
- limits (if any) on numbers attending
- anything else we should know
- presentations should be either 25 minutes or 45 minutes to allow for session change overs. Please indicate the length of your presentation.

Timelines
15 February: Outlines due
15 March: Confirmation of acceptance

- send your information by **completing the form below** or via email to actpermafest2018@gmail.com
